Subject: RE: 2018-361-S Letter of Protest

Dear Ms. Byrd,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2018-361-S - Application of Carolina Water Service, Incorporated for Approval to Charge Actual Cost for Pumping Interceptor Tanks

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

Docket No. 2018-361-S - Application of Carolina Water Service, Incorporated for Approval to Charge Actual Cost for Pumping Interceptor Tanks - <https://dms.psc.sc.gov/Web/Dockets/Detail/116914>

If we may be of further assistance to you, please do not hesitate to contact us.

Sincerely,

Deborah Easterling

PUBLIC SERVICE COMMISSION

Docket 2018-361-S

1301 GERVAIS STREET, SUITE 710, COLUMBIA SC

To Whom this may Concern,

I am a new home owner to the Forty Love community. I don't have an extensive knowledge of the water and sewer problems that the neighborhood has experienced. However, I'm deeply concerned that Carolina Water Service is passing along cost to consumers in an effort to band aid a failing sewer system. My concern is that the interceptor tank cleaning frequency will increase in an effort to relieve the strain on an aging sewer system with existing problems. Please consider further hearings on this matter before ruling in favor of Carolina Water Service

SINCERELY,

KARA BYRD

Chapin, SC 29036
